**Thought for the day:** The (extra)ordinary experience of "everyday" love is itself a sacrament. As such, it mediates the love of God and gives us both an experience and a language by which we make speak of God, God who is love itself. **Prayer:** Open our eyes to recognise you at the heart of the "everyday" love which sustains and inspires us: whoever lives in love, lives in God and God in them!

**Synodal Pathway - Our time to reflect,**

**discuss and listen:** As part of our Diocese's

participation in the 2023 Synod of Bishops,

we will be offering opportunities for

discussion and listening in the Spring.

Before that happens, you are invited to visit

[www.dioceseofkerry.ie/SynodQ/](http://www.dioceseofkerry.ie/SynodQ/) to learn

more about the questions that Pope Francis is

asking us to reflect on.

**Pope Francis – Tweet:** The prophet

Jeremiah tells us that God has "plans for our

welfare and not for evil, to give us a future

and a hope" (29:11). We should be unafraid,

then, to make room for peace in our lives by

cultivating dialogue and fraternity among one

another. The prophet Jeremiah tells us that

God has "plans for our welfare and not for

evil, to give us a future and a hope" (29:11).

We should be unafraid, then, to make room

for peace in our lives by cultivating dialogue

and fraternity among one another.

**Parish Masses:** You are welcome to attend either the weekday Mass or weekend Mass as the Sunday obligation is still lifted. We give thanks to God that we can physically gather as a faith community once again. Protective measures include:

**Pope's Intentions:** During January the Pope

asks us to pray *'For true human fraternity'*.

We pray for all those suffering from religious

discrimination and persecution; may their

own rights and dignity be recognized, which

originate from being brothers and sisters in

the human family. In February we are asked

to pray *'For religious sisters and consecrated*

*women'*. We pray for religious sisters and

consecrated women; thanking them for their

mission and their courage; may they continue

to find new responses to the challenges of our

times.
