Thought for the Day: Our conviction is that God loves us wholly, in the double sense that he loves us fully and completely and his desire is that grace should touch every dimension of our lives. Anyone who has made the discovery of faith, like the merchant in search of fine pearls, will know what is meant: it is so wonderful that it leads to a discipleship costing not less than everything. It can be daunting, of course, but it leads to life in abundance. **Prayer:** God of the covenant, faithful and true, you offer us both love and a way of living. As we embrace your love for each of us, help us so to live that we may be fully alive with your Good News. Amen. (Fr Kieran O'Mahony)
